O.H. by the way) you're a piss poor Ben, Proctor.
Ben, Ben Brown

It has been a lot of fun summer this year with you boys, and so
& hope we will have some more. I
take care of all your women, can show you how boys
and be good to them! Have a great summer, but be careful. I could cut you down some more
"Bill Hayes" but you might stick me. Ain't you bad? -
"Billy boy" OH, by the way, those damn fool things hanging on either side of your door

English Department Adopts Thematic Approach

MUCH to the joy of the summer school students, the Review English sections have been eliminated this year. The English Department is now employing a thematic approach to literature instead of the previous historical approach. There has been the usual shift in teaching assignments because teachers are encouraged to teach at varying levels from year to year.

Mr. William H. Supon has returned after a year at public schools due to draft trouble.

The most important change in the English Department is the new reading improvement laboratory. To teach reading this year, Darlington is fortunate to have Mr. Herbert Jones.

According to usually reliable sources, the English Department is still the tallest section, and are "all very intelligent, highly cultured, competent men."

THE Language Department continued its unblemished record of progress again this year. With the addition of three new teachers, and a returnee, the curriculum continued to cover languages in depth. Although many of the first year students complained that all this was foreign to them, the teachers worked ardently to make them see the light. Due to popular demand, Spanish IV was offered this year.

Mr. Neidlinger replaced Mr. Clinkscales at the beginning of 2nd quarter. Mr. Supon returned after a year's leave to replace Mr. Rhea. Mr. John Campbell and Mr. Oyler joined the Department after Christmas in 1968.

The language lab continued to use the Berlitz Method, much to the bitter disappointment of many students. When asked about idiosyncracies, the inevitable answer was that all foreign language teachers are peculiar.

Ancient Subject Intrigues Modern Students

Jack D. Summerbell

Chairman, Department of History, B.A., Simpson College, M.A., Northwestern University, American University, Drake University 1959

Conductor Burch takes up tickets for night train.

THE History Department lost two teachers from last year, and consequently gained two new ones this year. The addition of more books to the library and the more extensive use of the overhead transparency projectors are some of the changes that have taken place this year. A complete section of advanced placement American History, a new course at Darlington, is now meeting.

Mr. Fred Davidow left Darlington to go to seminary where he will become a rabbi. Replacing him is Mr. Micka, who is from New Jersey and a graduate of Catawba College. Mr. Longley returned to the University of Tennessee for graduate work. Mr. Andrews who has replaced Mr. Longley, teaches both English and American Histories. Mr. Andrews is from West Virginia.

Any teacher idiosyncrasies were picked up from the students themselves. The preceding was an unpaid, unpolitical announcement at the request of the members of the History Department.

MATH continued to baffle and perplex many students this year. There were few new teachers, the perfect combination having almost been found. Mr. Dorminey left to work on a Ph.D. at the University of Georgia, and two new teachers joined the Darlington coterie called Math Unlimited. Mr. Paxton and Mr. Van Es were added to the crowd. Mr. Mac continued to astound his students with the intricacies of the mysterious "C.P.C.T.". Mr. Barkell continued to "boot" things out of equations. Mr. Paxton continued to smile. Mr. Cribb, who was married during the year, was heard to lament being hitched to one piece of "Cheese." Mr. Campbell continued to write football equations on the board. All in all, the teachers continued to amuse the students (unknown to them) while managing to teach them all they needed to know about the esoteric world of math.

When asked about idiosyncrasies, every teacher silently mounted his mushroom and rode away in an effort to disprove any theories of weirdness on their part.

"Is this UPCI or the Honor Council?"

THE Science Department continued its progress this year with the addition of Senior Biology. This course is restricted to those who have not had high school biology previously, and is taught from an ecological standpoint by Mr. Tyndall. This course, while not so classified, is considered AP by the students.

The new APC textbook is causing many moles of agony. Coming through in the "Klutch," the second-string APP boys keep on cranking.

Mr. Berry, a member of the first class at Darlington to take UPC, has returned to teach it.

When asked about idiosyncracies, the teachers invariably replied that they "compromise a most stable group of people and have no idiosyncracies."

Editors begin year with enthusiasm!

Editors search for NEW Ideas.

THIS year was the second consecutive year that Mr. Tyndall and Mr. Cowan have served as faculty advisors to the Jabberwock; Mr. Tyndall directing the editorial staff and Mr. Cowan primarily counseling the photographers. Mr. Tyndall was pleased to see that a large group of students showed interest in working on the Jabberwock this year, and he was determined to see that the major tasks of creating the annual would rest in the hands of the students themselves.

Unfortunately, few of the members of the editorial staff had had previous experience in yearbook production. Therefore, it was necessary for the staff to learn the fundamental as well as the more advanced processes through which an annual is produced. Part of their education included a visit to the Foote & Davies publishing plant in Atlanta, a trip which was considered highly informative by all who participated.

Kran Riddle and Fred Boykin were co-editors-in-chief, while a general staff handled other duties. The business staff was capably headed by Bill Cochran and Tim Wallis.

Despite its inexperience, the editorial staff endeavored to make the Jabberwock not only larger, but also more contemporary through the use of a modern annual lay-out. Early in the year it became apparent to all the members of the Jabberwock staff that the creation of a good yearbook demands not only fervent interest but self-sacrifice as well. Whatever merit this year's Jabberwock deserves is a reflection of the many hours spent by the Jabberwock staff in a dedicated effort to achieve literary excellence.

Darlingtonian Writes Off Another Year

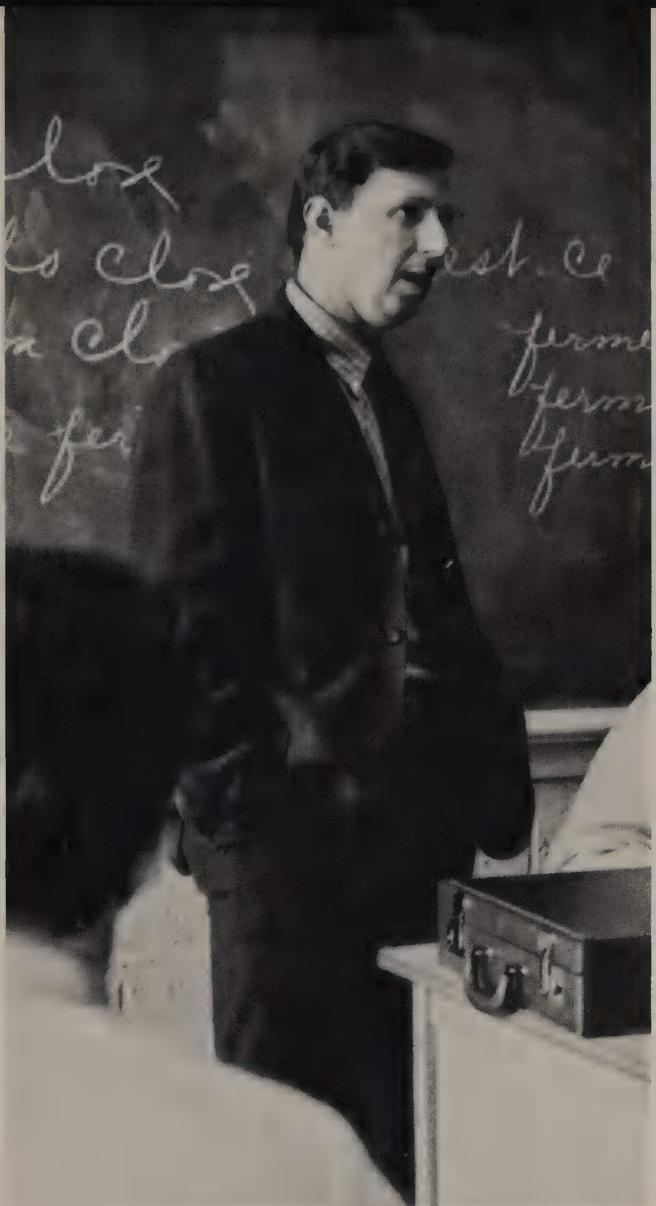

All right people!

ATTEMPTING to produce an even more provocative magazine than in years past, editors John Duncan, Banks Carroll and Dan Erdman further moved the 1968-1969 Darlingtonian from its function as a news medium to a journal of student interests, experiences, and opinions. A new, stimulating editorial page covered a more comprehensive scope of world and school affairs. Feature articles ranged from personal reports on the conditions in Biafra, and a report on the Peace Corps to a thrilling account of shark-catching in the Gulf of Mexico.

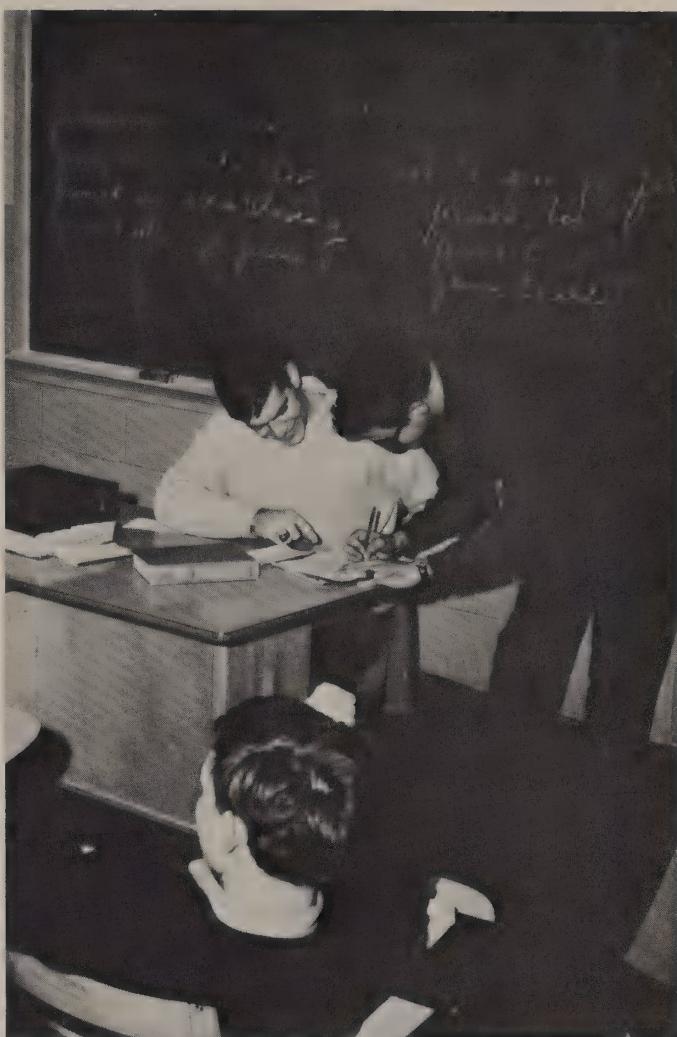

Sports coverage encompassed reports on all Varsity, Junior Varsity and Freshman teams. Jim Anderson drew even better and more penetrating covers than those of '67-68. Jay Feldman, Chuck Monroe and John McCarty handled the photography while Tom Ellis did a superb job as copy editor. Al Jordan was business manager. Mr. Awsumb again advised the outlandish group. All who contributed to the magazine helped to create one of the more unique high school publications.

Editor Duncan gleefully accepts.

But I wanted it, Mr. Awsumb!

NOW in its fifty-fourth year at Darlington, the Honor Council remains as the most respected and responsible organization on campus. Organized in 1915 by a group of students, the Honor Council remains as a quiet but dominant influence on life at Darlington. The purpose of this Council is to govern the Honor System in both dormitory and day school life.

The Honor Council is controlled solely by the student representatives, who are elected at the beginning of each year. When the Honor Council holds meetings, these meetings are controlled by the students and no faculty member is allowed to sit in on such meetings. After the meetings the students recommend to the Executive Committee what action should be taken. This year Bobby Thurston was president and took on the responsibility of the Honor System and as in the previous years, Mr. Cunningham ably advised the Council.

HIGHLY important to the life of every student at Darlington is the Y Cabinet, under the energetic leadership this year of Edwin Tucker. It is the purpose of the Y Cabinet to guide the religious life of the school, and to this end Y members devote their energies to such things as giving Sunday night devotionals, saying grace, giving morning devotionals, and collecting money for worthy causes. Members of the cabinet are chosen from all classes. The group is advised by Mr. Moser and assisted by Mr. Summerbell, Mr. Berry, Mr. Thomason, Mr. Awsumb, and Mr. Inverso.

Besides the usual work for revenue, the organization also makes money by operating the concession stand at athletic events. Through this they have been able to purchase a color television and curtains for the school.

Several discussion groups were held.

D-Club Expands

As Mr. Moser and Mrs. Barkell Fume . . .

THE purpose of the D Club is to set standards of sportsmanlike conduct in all phases of school life and to see that these standards are upheld. In keeping these goals, the group helps supervise student conduct at all athletic contests and helps maintain gentlemanly behavior in the school store and in the recreation room.

Having lettered in a varsity sport, a student who gains membership in the club is entitled to wear a D Club jacket, presented to him by the school. However, before receiving this jacket, the student must agree to two weeks of initiation and be accepted by all members. Controlling this period of "hazing" (as Mr. Moser calls the initiation) and supervising the many other activities of the D Club is its advisor, Mr. Regester.

The officers elected to this year's D Club are Dan Knight, President Greg Hopkins, Vice-President; and Cliff Russell, Secretary-Treasurer; who had the most difficult task of collecting dues.

As the team broke through the large Tiger between the goalposts, a few artistic members of the Pep Committee gave a slight grimace of pain. Only for a second were their tedious hours of work remembered, because they joined with the other members of the Pep Committee along with the rest of the student body in a wild conglomeration of clapping hands, stomping feet, and screaming voices to welcome the team.

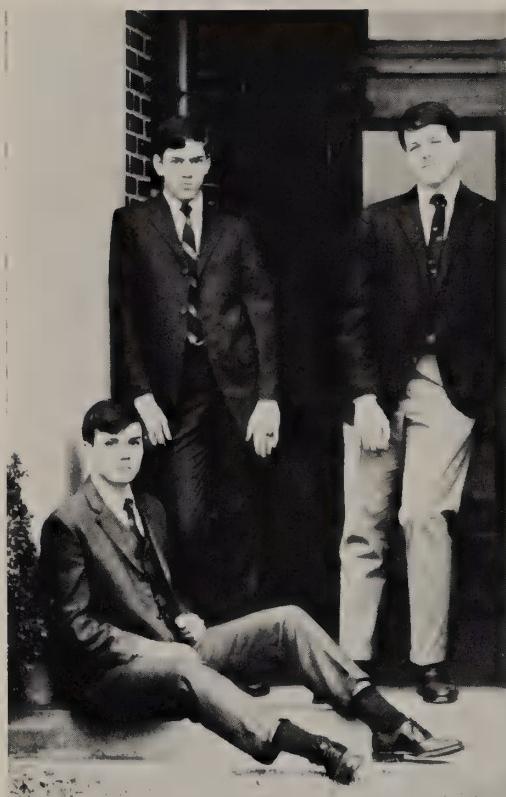

Before each game, the Porter Building and the Study Hall were decked with posters and crepe paper. After all the home games, the Committee gave a small party for the team and coaches.

Under the capable supervision of Mr. Fernandez, the Pep Committee did a tremendous job of keeping the spirit at the highest possible level. The sale of spirit inducing articles such as vests, pillows, pom poms, and buttons made the work that they did possible.

THIS year marked a significant change in the debating activity at Darlington and an effort to build a stronger and more active organization, and one that would offer a wider range of participation for the students, the Debating Club was reorganized and redesignated as The Darlington Forensic Union. The work of reorganizing required many hours devoted to recruitment of new members, securing a place for meeting, and time devoted to organizational planning. Under its new title, the organization was approved as an official activity of the school, with officers duly elected under its newly adopted Constitution and By Laws. As it is now established, the Forensic Union established its activity to include not only debating, but also all phases of public speaking, and declamation.

Since so much time and effort had gone into its organization, the Forensic Union was unable to participate in competition

with other schools; however, members devoted much time to learning and developing debating and speech techniques.

As a contribution to the school activities, one of its first official functions was the sponsoring of a declamation contest. The members of the Forensic Union organized and conducted a declamation contest open to participation by any member of the student body. The interest and enthusiasm displayed by everyone concerned has encouraged the Forensic Union to continue this as an annual event in Darlington's school activities. The members of this organization are to be commended for their patience, hard work, and perseverance in making this first year a successful one for the Forensic Union. Many of these initial members will be returning, and this organization can look forward to further success as an important part of life at Darlington.

Thespians Increase Membership In '69

THE National Thespian Society is an organization devoted to the advancement of the dramatic arts on the secondary school level. Students may become members by earning a given number of points, equivalent to about one hundred working hours in dramatic productions.

In February of 1968, Troupe 2344, the Darlington chapter of the Society, was installed with fifteen members, composed of the more outstanding members of the Darlington and Thornwood Players. Of these, only five returned to Darlington in the fall of 1968. However, by early January, 1969, the membership had increased to twenty-three, and several more members were added following the Player's spring production of **Paint Your Wagon**.

Last November, several delegates of the Troupe attended the Thespian State Convention at the University of Georgia in Athens. Highlights of the Convention included the presentation of several plays by different troupes from throughout Georgia. Darlington can look forward to a renewed interest in dramatic arts through the work of this fine organization.

Darlington Players Continue Success With "Paint

LAST year the Darlington Players ended the drama season with a colorful production of Meredith Wilson's **The Music Man**, starring David Muschamp and Allison Hyde, a Berry voice major. The cast of eighty pranced merrily on a stage rebuilt by John Floyd from the old **Oliver** set. A large backstage crew and a complete marching band helped the actors fill the gym with music and laughter.

Just before first quarter exams, on December 8, the Hootenanny Christmas Show livened the campus with an informal collection of lively songs and dances. The result, although a comedy of errors, was plenty of fun for both actors and audience.

In February, the Talent Show smashed into mid-quarter doldrums for the fourth successive year. Varied groups and individuals competed excitedly for two first prizes, a second and a third prize.

As this book goes to press, the Players were rehearsing strenuously for the spring musical, Lerner and Leowe's **Paint Your Wagon**. Parts had been assigned soon after tryouts in the middle of January, and musical rehearsals had begun at that time. The play promised to live up to the standards set by the players' first musical two years ago.

During the year, under the leadership of Mr. Fernandez and Buster Wright, the group changed its organization very little. After initial polts and f-its, the Players began to learn the collaboration and persistence that made 1968-1969 a successful year.

The Darlington Slavo-Germanic Union

THIS group, new on campus this year, was founded to fill the gap left by the untimely demise of the German Club. It was decided by the president, Richard Korski, to expand its field of interest to include the Slavic countries as well as those of German heritage. Meetings were held in the Language Lab (see photo), and topics of discussion included possible esoteric Polish movies, Czechoslovakian cultural stud-

ies, and searching inquiries into the true nature of Herzegorian Foreign Policy. Officers for the year included: Eric Martin, keeper of the keys; Bill Wesley, Grand Panjardvum; Russell Major, Persimfaus Maximus; Tom Lloyd, Master-at-Arms; etc. . . . when Herr Supon was asked about the ultimate purpose of this bright light among Darlington clubs, he replied in a strangled whisper, "Was darueber?"

First row, left to right: Tom Lawton, Secretary-General; Tom Lloyd, Consultant-Premier; Richard Korski, Hereditary President; Roger Henderson, Historian; 2nd row: Bill Wesley, Corresponding Board Chairman; Rod Durham, Ambassador-at-large; Sam Formby, Under-European Liaison Officer; Russell Major, Resident Physco; Herr Willhelm Supon, Advisor; Ed Hine, Vice-President, Ex-Officio; Lee Redmond, SGD Youth Leader; Nicky Nichols, Technical Advisor; Eric Martin, "Very Interesting!"

Left to right: Albert Garrou, Bill Keesee, Evans Scarborough, Tom Gandy, Jimmy Groome, Mr. Oyler, Guru Supon, Doug Brinkley, Ken Bates, Jack Ames, John Foster.

"Group Therapy?"

AFTER a one-year layoff during the absence of Mr. Supon, the Baroque and Early Renaissance Musick Society sprang back to life this year. Feeling that what the school needed was a large dose of Bach, Vivaldi, and Batman, the group appeared at a home football game, with results that ranged from killing a ten-foot square patch of grass on the sidelines to curdling fifteen quarts of milk in the cafeteria. With the rigors of cold weather approaching, this assemblage of peerless musicians retreated to the elegant surroundings of the gymnasium, where they astounded the audience at the Players' Christmas Show and laid further fiendish plans to do the same during the course of the Spring Musical.

FCA Huddles Up Once Again

THIS year's chapter of the Fellowship of Christian Athletes at Darlington was highlighted by student participation during the weekly meetings. One of the topics discussed was this year's national conference to be held in Rome. Others were the faith of Christian Athletes, the meaning of prayer, and Christian vocations, all of which proved to be well worth the time. One of the projects in which the students participated was the collection of food and toys for the needy during Thanksgiving and Christmas.

The elected officers of this year's huddle group were: Tom Cleveland; Captain, Randy Pardue, Co-Captain; Ricky Rudolph, Secretary and Treasurer; Ted Caldwell, Bulletin Board Chairman; and Coach Joe Campbell, Faculty Advisor.

The chapter had twenty original members and has had a steady increase throughout the year.

SELLING tickets, hiring a band, and decorating the gym were only a few of the obstacles faced by this year's Dance Committee. Yet nothing was impossible for this crew when they thought of the Krystalburgers they would receive as a reward for their working in the early hours of the morning after a Formal. Realizing, of course, that the Committee could not satisfy everyone, these hardy souls put a great deal of work and time into presenting good dances.

Each year the Dance Committee sponsors three dances: the Christmas Formal, the Spring Formal, and the Graduation Formal. The Committee receives no financial aid from the school; profits are used for future dances.

Faculty advisors for the group were Mr. Thomason, Mr. Awsumb, and Mr. Cunningham.

Forum Begins With Great Expectations

To improve the student's education, 1969 saw the organization of the Junior-Senior Forum, a plan to give students the opportunity of hearing viewpoints and ideas not presented in the classroom. The Student Advisory Committee, headed by Charles Godwin, worked with Mr. Shaum and other members of the faculty to organize an open-ended discussion group.

After some attention to the details of scheduling, it was announced that the topics of discussion would be: UFO's, Crime, the Space Program, Viet Nam, Biological and Chemical Warfare, and Drug Abuse. Several noted men in these fields came to Darlington on alternate Sundays during the winter and spring quarters.

Glee Club Enjoys Spring Tour

Mr. Moser and company vocalize.

THE 1968-69 Glee Club opened the school year with a great amount of enthusiasm and anticipation. This year's group of forty-seven was the largest in several years because of the large nucleus of singers returning from last year's club that cut a record.

Under the capable direction of Mr. Worth Moser, whose organ accompanist was Mrs. Clayton Doss, the Glee Club not only sang at Sunday night Vesper services, but also presented several excellent concerts. In conjunction with the Thornwood Chorus, the Glee Club gave an excellent Christmas Concert. In addition, Spring Concerts were performed in Atlanta and other nearby cities. Because of the fine spirit of the members and the excellent manner in which they represent the school, the Glee Club is an organization of which Darlington is very proud.

BOSTON

Varsity Football

THE 1968 Darlington football team was exciting, enthusiastic, and spirited. The team won the respect of every opponent that it faced. The Tigers got off to a slow start against Chamblee, but they showed signs of great potential. Sylacauga was the first to fall to the Tigers. Greg Hopkins was the key player of this game with a total of 135 yards. This 24 to 14 victory reassured the doubtful fans that this team would be a threat the entire season.

The next three games with Dalton, Castle Heights, and T.M.I. were disastrous. They were a slump that the Tigers found hard to break. The next game with Riverside was probably Darlington's peak with over 350 total offensive yards. Greg Hopkins accounted for 148 of these yards while five passes from Harper to Davis racked up another 137 yards.

The C.M.A. cadets came to Rome looking for another win. The Tigers had a new quarterback for this game, Joe Cleveland, who did an excellent job of leading the team to a 12 to 6 win over the cadets. Henderson, Day, Starr, and Brown led the blocking which aided the running of Hopkins and Prall. The Red Raiders from Chattanooga spent a long night on the Darlington field. The superb Tiger defense stifled every Raider attempt to sustain a drive. Two long passes from Harper to Davis broke the game open and the Tigers now had a 4 and 4 season with one remaining game.

The Tigers went to the home of the Tornadoes for the game that would decide whether or not the Tigers would have a winning season. McCallie jumped ahead early in the game and Darlington never seemed to be able to catch up. Louis Medlock intercepted a pass for a touchdown in the closing minutes of the game, but the Tigers were still three points short of a win.

The coaches did a fine job with the team this year. The Tiger Team had a great deal of determination and desire as shown by winning three out of their last four games.

An anxious moment with Baylor!

Remember the Baylor "Bomb" . . .

J. V. Football

DARLINGTON'S J.V.'s, despite a chillingly small turn-out for pre-season practice and an outrageously unpredictable schedule, continued their winning ways for the fifth straight year.

Paced by tenacious defense men Harris Bridges, Jay Groome, Ral Saunders, Bob Ayers, Eddie O'Bryant, Hardin Field, Bill Dunson, Frank Alverson, and Cheer Shepard, the Tigers yielded but five touchdowns in eight games, blanking four of their opponents.

The offense, led by the heroics of quarterback Bill Kelly, halfbacks Lanny Thomas and Cliff Russell, fullback Richard "Chief" Henry, and the accurate placement kicks of David Whittenburg, evolved into one of the most exciting, airminded junior varsity teams ever fielded at Darlington. The Tigers bolted explosively for a total of twenty-one touchdowns during the season, ten via the airways. Bill Kelly tossed for ten touchdowns, and twice scored himself. Julian Rose and Lanny Thomas tallied six times apiece, Richard Henry and Cliff Russell thrice and Frank Alverson once.

DARLINGTON'S freshman football team struggled through an improved season under the able leadership of Coach Jack Ellis and assistant Tom Cleveland. The Freshman Tigers scored in most of their games even though they were outweighed in nearly all positions. For the first time in several years the offense was able to move the ball with promise and determination. Led by quarterback Logan Cox and the running of Russ Clarke, the freshmen were a threat via air or ground, especially when John Wilkie could find an opening. The 1969 Junior Varsity should look forward to some good experience in their new season.

Cross Country

Not even the rain can stop Herr Supon's Cross Countrymen.

The Cedarville Flash.

HAVING completed a record breaking 1967 season, Darlington's Cross Country team entered 1968 with much eagerness and anticipation. Coached by the enthusiastic Mr. Supon, assisted by Mr. Konet, the team completed a gruelling schedule which included running in freezing weather and heavy rain. At the Mid-South meet, the varsity again finished a disappointing seventh, but the J.V. drove to a respectable third, with David Kirkland, Logan Boss, and Tim Gunn finishing in the top ten.

The varsity, paced by Miles Gammage, John Catmur, Bill Maddox, Mark Seymour and Jeff Cline, was hit several times by injuries to key runners, but wound up the season with a hard fought, winning record of 8-6. Because of their stamina and exceptional spirit, this year's Cross Country team was one Darlington could look upon with pride, and each member could be honestly proud of a job well done.

Soccer Team Shows Best Form In '69 Season

LED by Captain Steve Brown and Alternate Captain Rick Prall, this year's soccer team was surely one of the greatest groups of competitors in the history of the game. Although they finished second in Mid-South competition, they proved to themselves, their opponents, and anyone who cared to see that they were really the best.

All season they built toward the climax reached in the final two games, against McCallie and Baylor. The first game of the year ended in a muddy tie at Riverside; in the second, T.M.I. went down in ignominious defeat. The third game, however, saw our boys beaten by a seasoned McCallie team. At home against Baylor, we won a game much closer than the 2-0 score indicated.

But the real power and skill of the team was yet to be shown. On a cold, miserable, sleety Saturday, Darlington shattered McCallie's long string of victories with the almost impossible score of 4-0. Riding high after such a win, we met Baylor on their field in the final game of the season. But we were not ready for the game—we were down 3-0 at the half. Then came one of those performances that are the hallmark of true athletics and real men: gathering all their strength, the Darlington eleven returned to the field to score four goals in the second half and allow none. The 4-3 victory was certainly a thrilling and appropriate end to a fine season.

The team was coached by Messrs. Cunningham, Burch, and Schaum, and Lee Beasley was the manager.

J.V. Finishes Season Undefeated Mid-South Champs

"**D**UE to the inclement weather, a rainy day athletic schedule will be observed. Varsity soccer will meet in Room 17; J.V. soccer will meet on the field as usual."

With thirty of forty-six boys returning after Christmas break, the core of the team were boys from the undefeated and unscored on 1967-1968 Freshman team. Talented, dedicated, and enthusiastic, they were as determined as coaches Vaughan and John Campbell to repeat the previous year's performance.

The Tiger puddle jumpers were hesitant and nervous in their opener with McCallie. Although dominating most of the game, it took a perfect pass from Rod Durham to Ralph Noble to win the game 1-0 in overtime against an eight man McCallie defense.

With a late surge the Baby Bengals tied and eventually defeated, with an overtime penalty kick by Vernon Grizzard, a highly rated, unscored on Westminster team 2-1,

shattering their 7-0 season. Led by John Catmur, David Gates, Gerry Moore, Collie Powers, and Frank Harrison the Baby Bengals defeated Baylor 2-0 on their home field and walloped them 5-1 on "Red Raider" soil. Stalwarts in this effort were Rod Durham, John Catmur, Ralph Noble, Perrin Trotter, Vernon Grizzard, Bill Kelly, Robert Noble, and especially goalie Nat Hoyt.

The final game of the season with McCallie was rescheduled due to sleet and driving rain on the Bengals own field. Midway through the opening period Rod Durham scored on a sliding pass from Ralph Noble, while Vernon Grizzard added insurance during the second with a powerful blast. Even though McCallie appeared with some new, bigger and more experienced players in the second half, Collie Powers, Nat Hoyt, and company held off attack after attack to spread a sweet icing on an already delicious cake!

By The Time We Found The School...

THIS year, Darlington fielded a sparkling young group of ninth-grade mudballers filled with high spirits and hopes for victory. In a season consisting solely of road trips, those hopes were dashed by teams from Westminster, Bass, and Wills. Nevertheless, under the enthusiastic but erratic leadership of Coaches Lockhart and Supon, the boys made progress in fundamentals, giving promise of some good JV material for next year.

The season culminated in a ferocious intra-squad tournament in which the Hats dealt a smashing defeat to the No-Hats and proved themselves the true champions.

Bottom, left to right: M. Kelly, B. Hortman, S. Gradick, J. Jones, W. Russell, T. Gunn, K. Sachs. 2nd row: M. Smith, R. Morris, W. Moore, D. Gauthen, T. Attaway, D. Lanier, D. Parker, R. Goff.

Freshmen Add Strength As Swimmers Improve

McCarty. **third row:** T. Knowlton, B. Keesee, J. O'Neill, J. Mauch, R. Crocker, S. McLean, T. Gandy, B. McLean, and P. Shaffer.

WHILE Darlington's second swimming team did not fare well in the won lost column, the squad did have quite a fine year in terms of improvement. Led by captain Bo Jones, the team swam respectably against such Mid-South powers as McCallie, Baylor, and Westminster. Along the way the school's four hundred yard free-style relay record was broken, and several other marks were challenged by a host of younger swimmers whose return promises great things for the future. Individual standouts for the Tigers were Bo Jones, Sandy McLean, and Ken Davis in the sprints; Richard Korski and Jimmy O'Neill in the distances and Jack Ames in the butterfly. Barry Wright and Ralph Crocker were dependable backstrokers; while Jim Mauch, Tom Knowlton, and John Richardson improved steadily in the breaststroke. Nor should the efforts of diver Phip Shaffer, a finalist in Mid-South competition, and his protege Ben McLean be slighted—both scored well throughout the season. Since most of these boys return next year, we hope to reap the rewards of the building season behind us.

THIS year's wrestling team completed the most successful season in recent years by compiling an 8-4 dual-meet record and by placing third in the Mid-South Wrestling Tournament. While winning third place, the grapplers acquired more points than any previous Darlington Team. Eight of the twelve team members won awards in the Big Tournament: Bert Swain, Gray Morrison, and Charles Kirby placed second in their weight classes; John Sherrill, Ted Caldwell, and Mark Seymour placed third in theirs; Steve Bishop and Mike McInnis placed fourth. Five of these winners are seniors, but the other three—Kirby, Seymour, and McInnis—are sophomores.

Although half of the Varsity Team will graduate, Coaches Kluttz and Elliot believe that the remaining members form a strong nucleus around which a good 1969-1970 team can be built.

THE 1968-69 Tiger basketball team proved to be one of the most talented and exciting clubs in many seasons. Led by co-captains Edwin Tucker and Chandler McEwan, Darlington's cagers garnered an impressive 4-1 slate before the Christmas holidays, the lone setback being an overtime decision to McCallie in the "Big 4" Tournament. The team's success continued through January with four victories and two defeats, the losses being by the narrowest of margins. February proved to be almost as bleak as the weather, for the Tigers lost several close decisions to top ranked Mid-South foes. Despite the squad's closing record of 8-8, they were highly respected competitors.

In the first game of the Mid-South Tournament, Darlington posted a great come-from-behind victory over a highly charged T.M.I. team by a score of 68-61. The following night the Tigers fell to eventual tournament winner, C.M.A., 77-64.

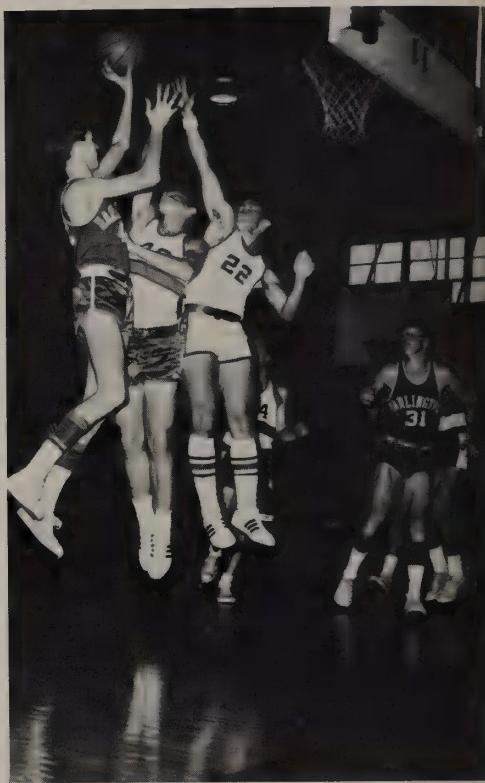

Although the team captured no trophy, two of its members received individual honors. Edwin Tucker and Richard Johnson were named to the ten member All Mid-South team, and Richard was also an All Tournament selection.

MEMBERS of the JV basketball team this year were Ben Moore, John Hight, John Bonham, David Lacy, Dennis Nichols, Gil Cheatam, Gordon Smith, Josh Watt, Art Hendrix, Kent Kanoy, Bob Sotolongo, and Tommy Donald.

The team got off to a good start winning six of their first eight games. Beating Berry twice, T.M.I. twice, then McCallie and C.M.A., while losing to Baylor and Woodward, the team was rated high in the Mid-South. Their luck changed and they somehow managed to lose their last five games, including a tournament loss at the hands of McCallie that ended the JV season. The final record was: six won; seven lost.

The leading scorers for the team were David Lacy, John Hight, and Dennis Nichols.

Freshman Basketballers Show Good Potential

A good freshman basketball team, four wins and four losses, narrowly missed being an outstanding team. Three losses, each by one point, kept our young ninth graders from posting an excellent record of seven wins and only one loss. But, to be outstanding you have to win the close one, too. The other loss was to a hot shooting Calhoun team.

The ninth graders, coached by Mr. Jack Ellis and Andy Mears were led in scoring and rebounding by Gray Tuttle and Jamie Wilson. The play of big Kirk Raines, who saw only limited action after the first game due to illness, was sorely missed. Other stand-outs, especially on defense and floor play, were Chuck Clark, Gus Holbrook, Skipper Ham, Mark Manis, and Logan Cox. Seeing limited action, but still valuable assets to the team were: Tripp Higgins, Arthur Gray, Ben Brown, Bill Melser, Mark Arnold, Tom Vasil, Jim Lovvorn, and Charlie Johnston. We look forward to seeing several of these young men in action with the J.V. and Varsity teams in the future.

CLASS OF 71

SOPHOMORES receive the least amount of recognition of all the classes. They are neither "sophisticated seniors" nor "dumb freshmen." Another year must pass before the sophomores can get their class rings, yet they are relieved to have "kiddie land" of third South behind them. Sophomores have made it through that difficult first year, and they have gained a lot of helpful knowledge through their many experiences. This year's Sophomore Class is terrific! Just ask any sophomore. He will tell you that his class is one of the best Darlington will ever have, and he just may be right. The sophomores of '69 stick together. They are all one big happy group of friends. This year's sophomore class is abundant with leaders. Two years from now, when the sophomores become affectionately known as the graduating class of 1971, will be a memorable year.

HAVING taken over a new table in the school store and now occupying Second Main, this year's Junior Class advanced rapidly toward becoming Seniors. Although this class faced one of their hardest years at Darlington, they proved successful, even against such dreaded abbreviations as: PSAT, SAT, and NMSQT. However, the Juniors also found time to enjoy themselves; discovering new lines of entertainment—right Mike? Also added to the lives of the Juniors was a new vocabulary—Josstin's, and driving permission, and transcept. Even with all these extra benefits of the junior year, probably the most important aspect is that of being the last challenge before the "Golden Year."

Junior School:

Mr. Van Es Joins Junior School Faculty

George H. Keller, Jr.

Head of the Junior School; B.A., Emory University;
M.Ed., Temple University; University of North Carolina;
University of Pennsylvania; 1963

AFTER having served for many years as a math teacher and administrator in the Junior School, Mr. Merson retired this year. Mr. Van Es joined the Junior School faculty and taught mathematics. Mr. Keller introduced several innovations to the Junior School this year, one being the showing of educational films on Thursday mornings. Another novelty was the Fall Marathon, which was a series of activities such as volleyball, checkers, and other games, which each student participated in while representing his club, Coosa or Etowah. Students were pleased by the fact that they could now earn "E" holidays, as do their Upper School counterparts. As part of their cultural enrichment the eighth grade traveled to Atlanta to see the movie—"Romeo and Juliet," and during the electron course in science class students constructed various electrical devices, such as crystal sets. Overall, it was another successful year for the Junior School as it continued to improve in preparing students both academically and athletically for high school competition.

The Monday morning quarterbacks watch the game.
